A diamond is forever, and the staff of the 1967 Indian Echoes has tried to make the memories of this past year just as permanent. We have tried to bring back the laughs, cheers, trials, and errors of this year of our lives. We hope that this annual will help you recall these memories again and again in the coming years.

A Diamond

is Forever . . .

A diamond has many facets which reflect its beauty. Likewise, a school has many facets which reflect its purpose. Through an examination of these sides—the traditions, innovations, dreams, disappointments, studies, memories, people—we receive a greater appreciation for our school—Gar-Field High.

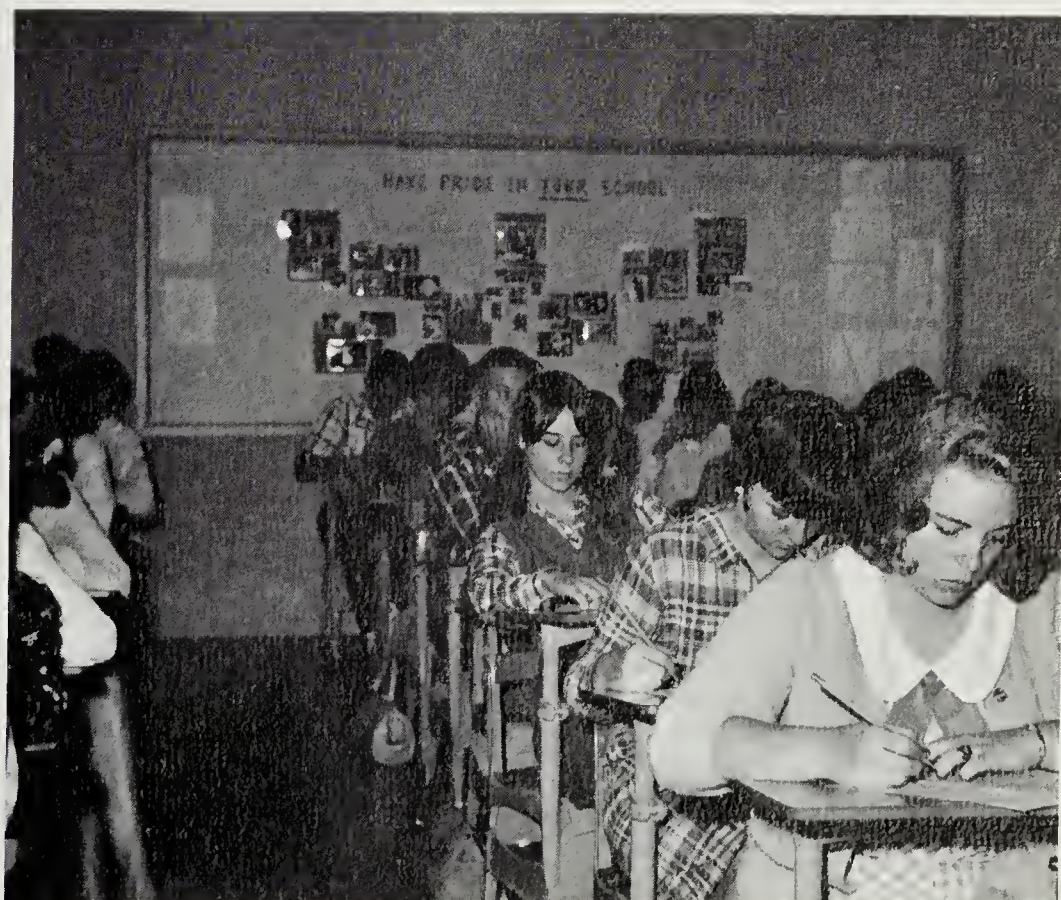

. . . so are our

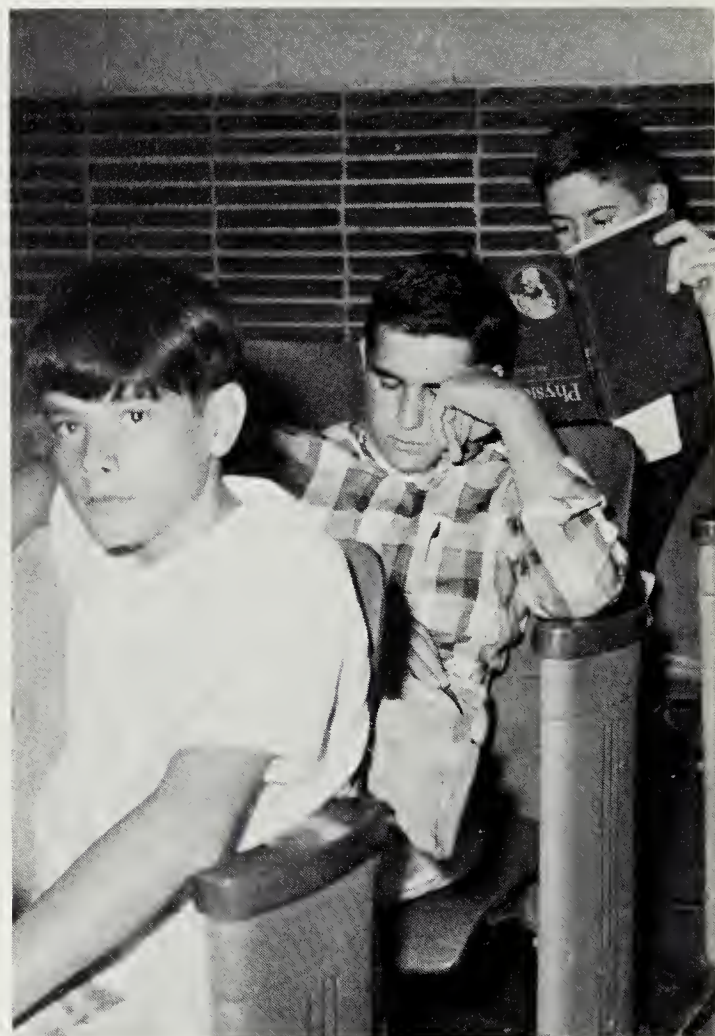

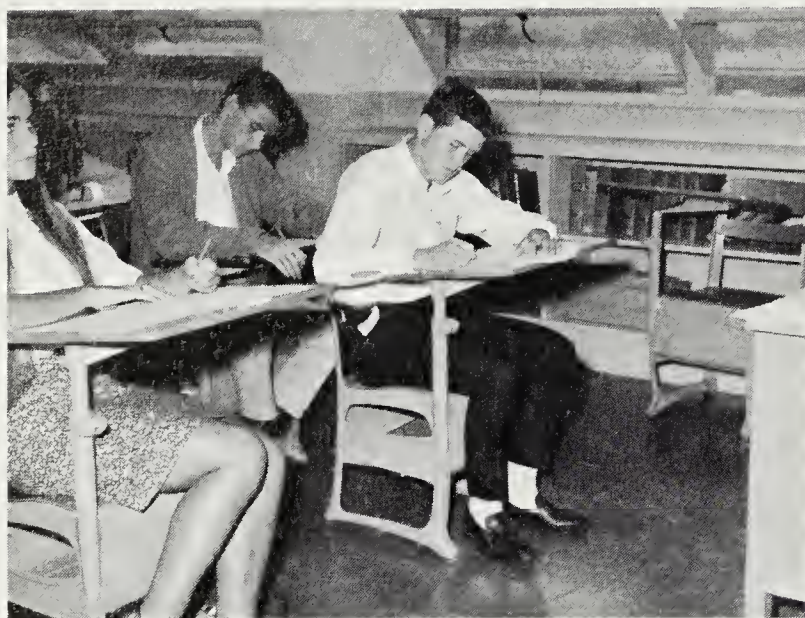

Memories of Gar-Field

Fond memories will never be forgotten—such as jammed lockers, missing books, dirty dishes after spaghetti dinners and fab soc-hops after games. Remember all that homework that was piled upon our desks every night? Remember all the rainy trips to the huts and predicaments of G-F life? To be sure, G-F won't forget us and we will certainly not forget G-F.

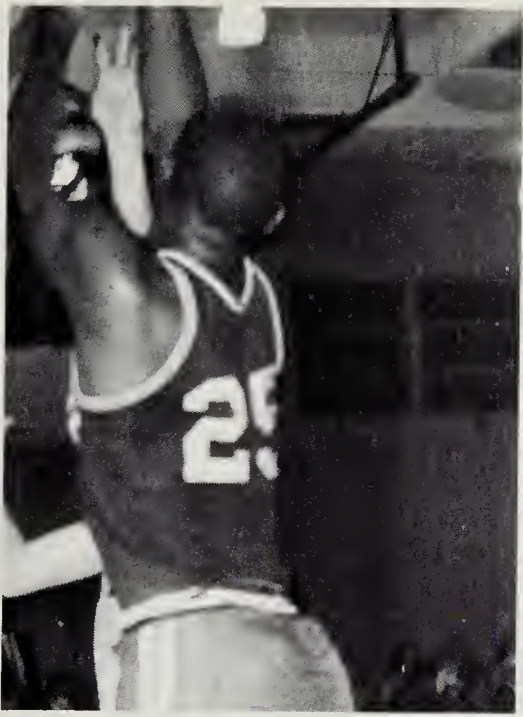

These are the Faces

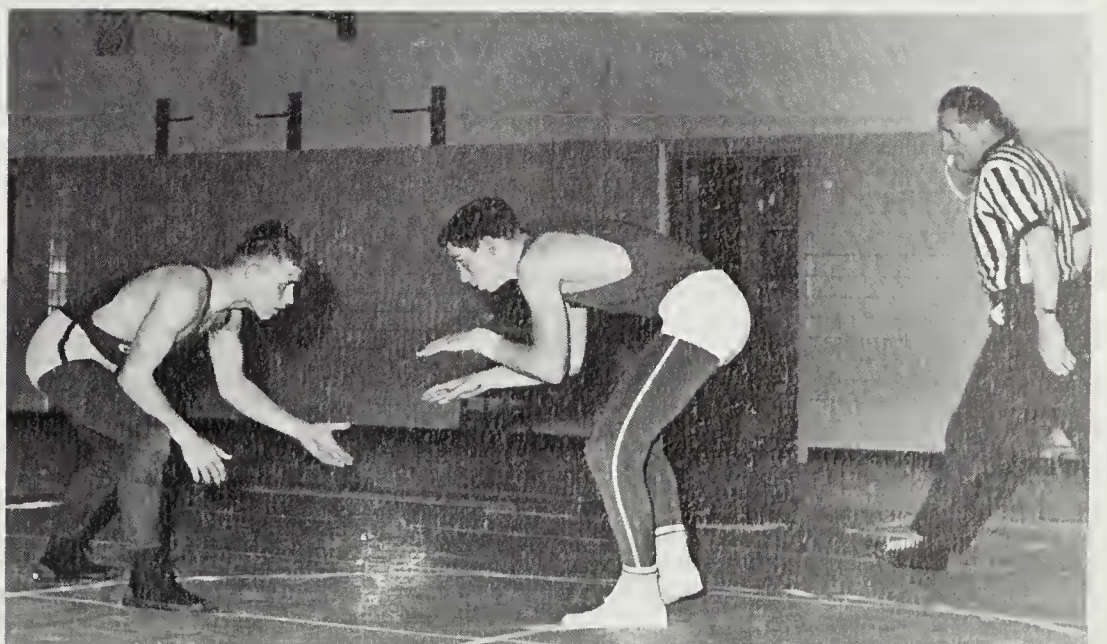

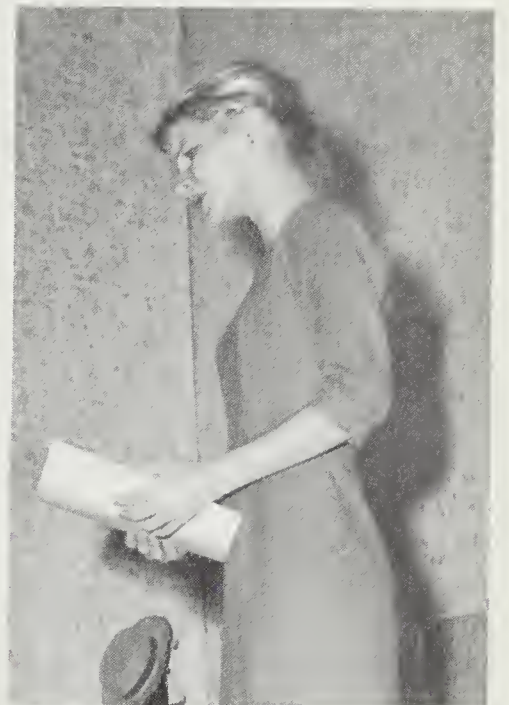

Gar-Field High School is the students themselves. The students form its spirit, its achievements, its activities, and its traditions. School wasn't all work—extra-curricular activities and school functions gave students a much needed break from the hum-drum of everyday school life. Gar-Field is proud of a great year and a great student body for making this year one year we won't forget.

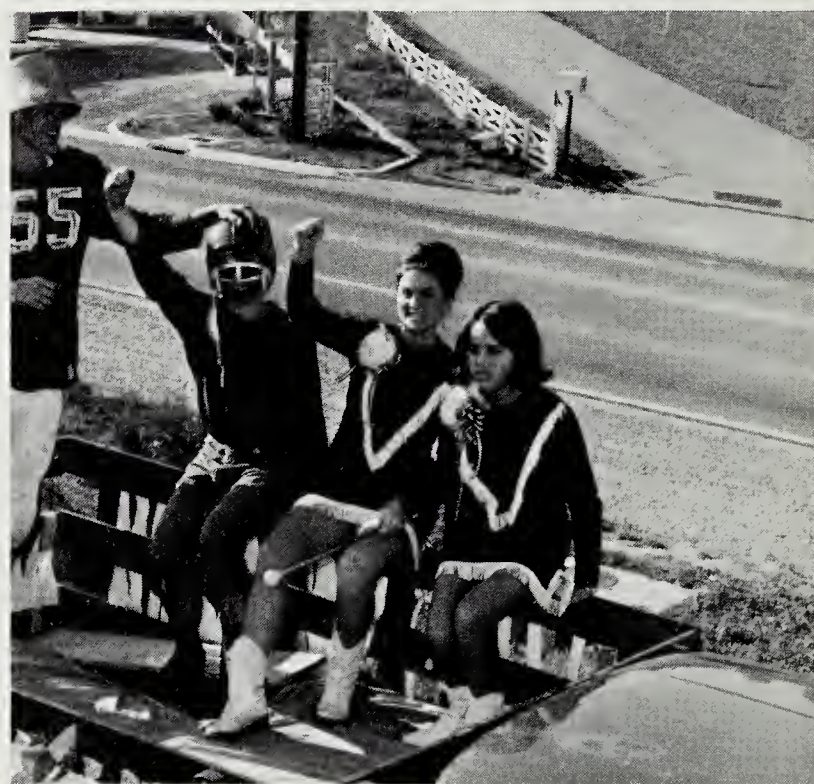

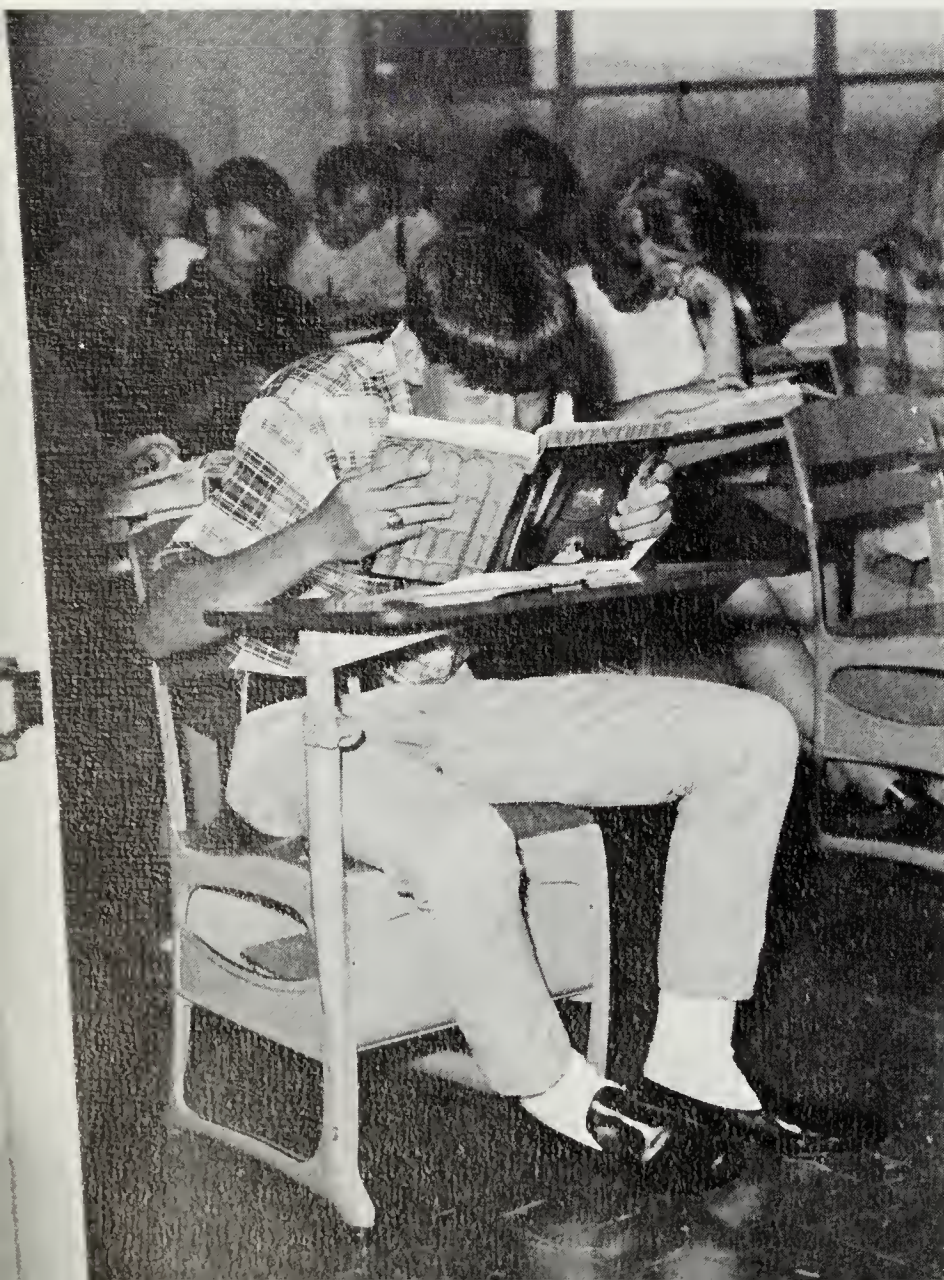

and Activities

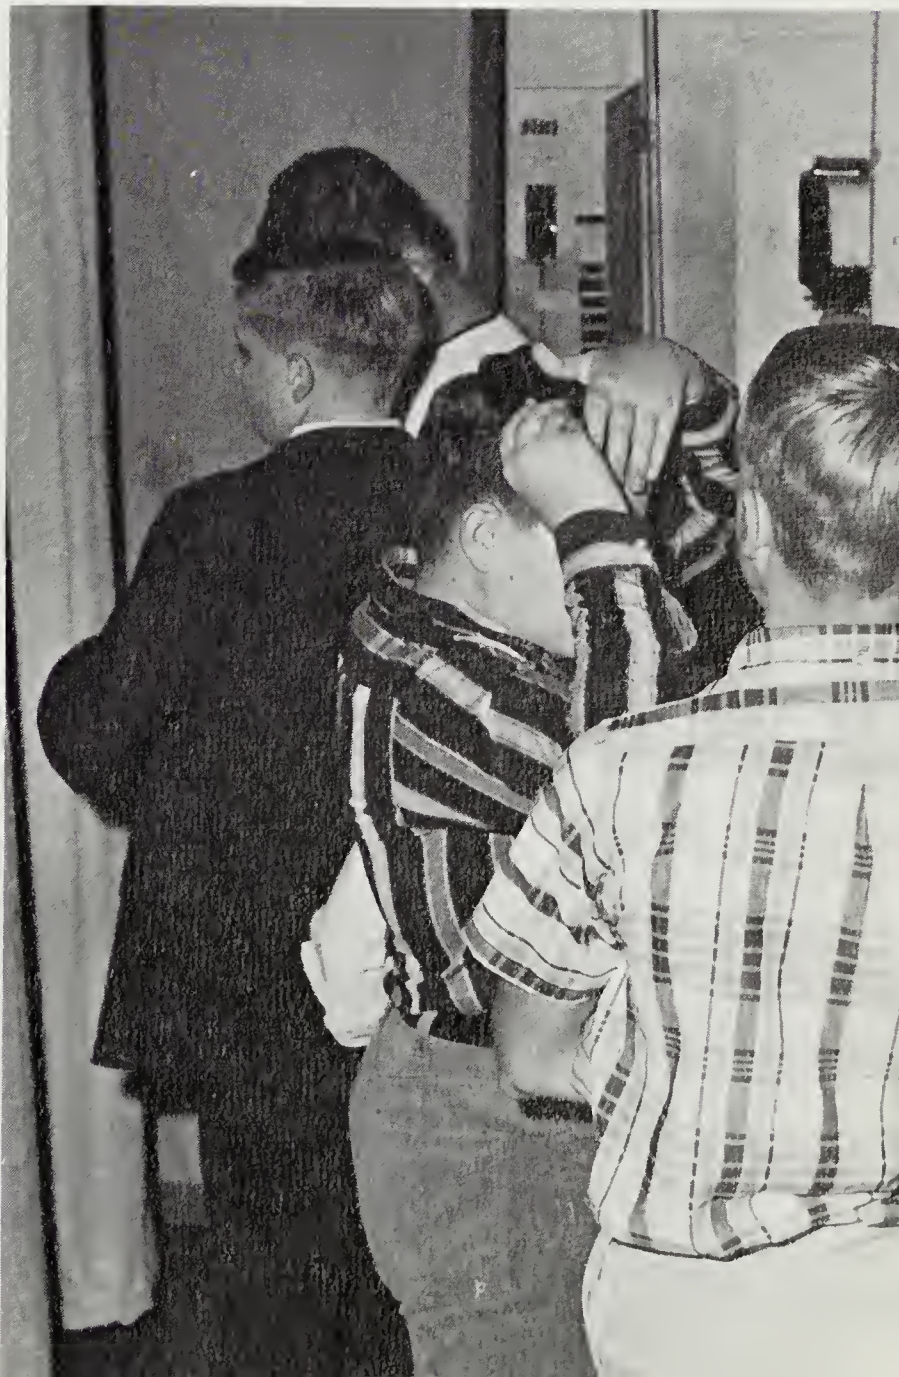

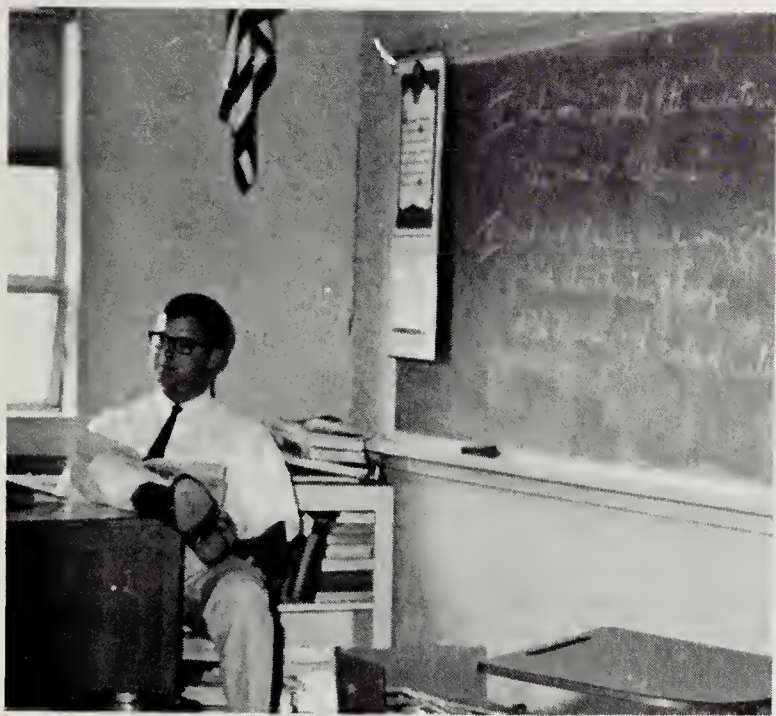

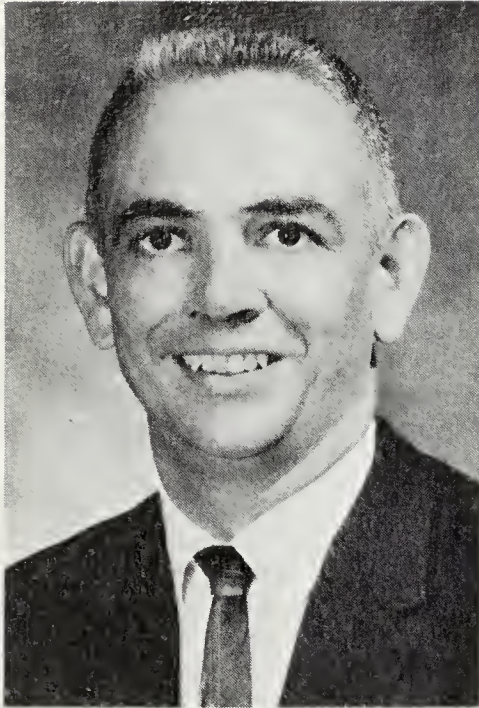

1967 meant many things to many people. To our Seniors it meant the end of twelve years of hard work; to Juniors it meant one step closer to their senior year; to Sophomores it meant new experiences; to Freshmen it meant a new way of life; to Gar-Field it meant another year of learning. The huts were put back into use, due to the crowded conditions; and new teachers were introduced to Gar-Field High School life. 1966-67 was a rewarding year which none of us will forget.

We will Remember

Indian Echoes Proudly Dedicates

Its '66-'67 Edition . . .

We, the Indian Echoes staff, dedicate this 1966-67 edition to a member and leader of our faculty. His friendliness and constant striving to improve the quality of education are well known to all students and parents. He endeavors to know all students by name, and his office is always open to students and faculty alike. As a Methodist layman he shows his faith by opening the assemblies with a prayer.

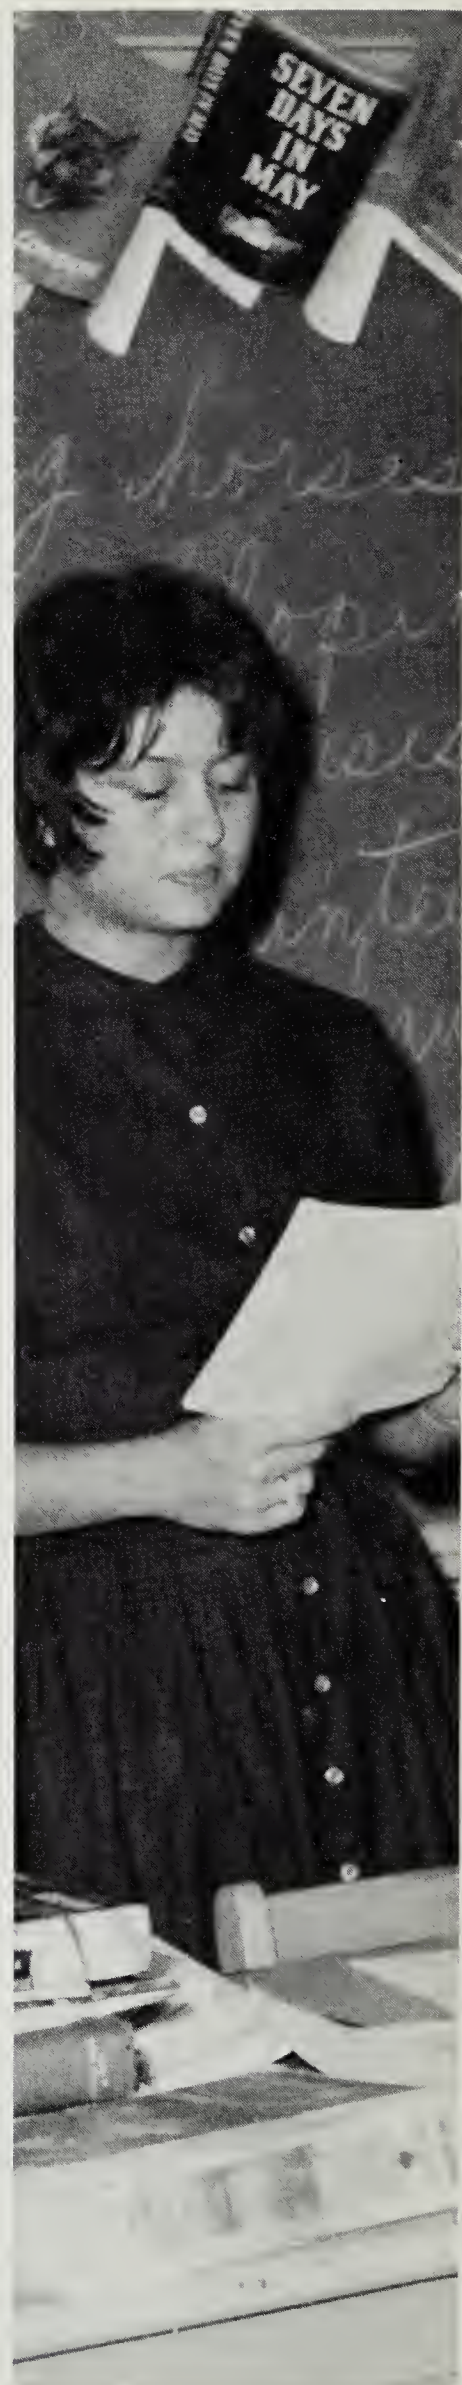

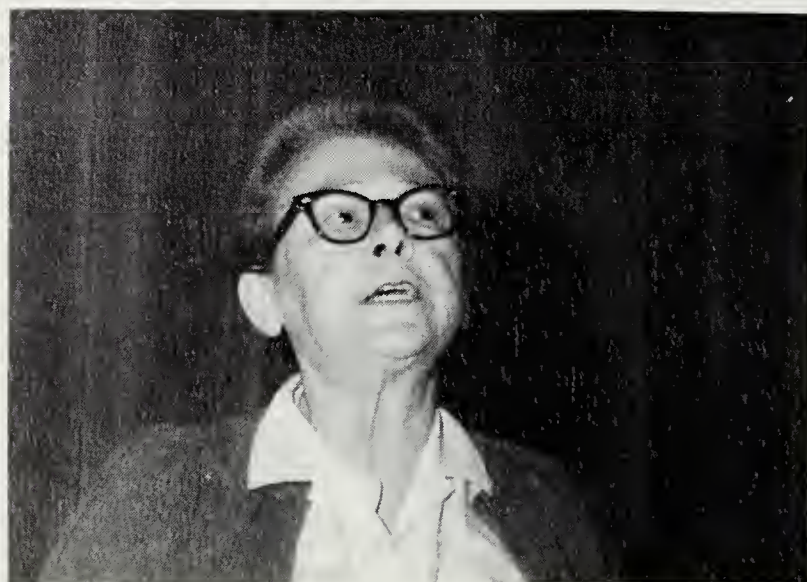

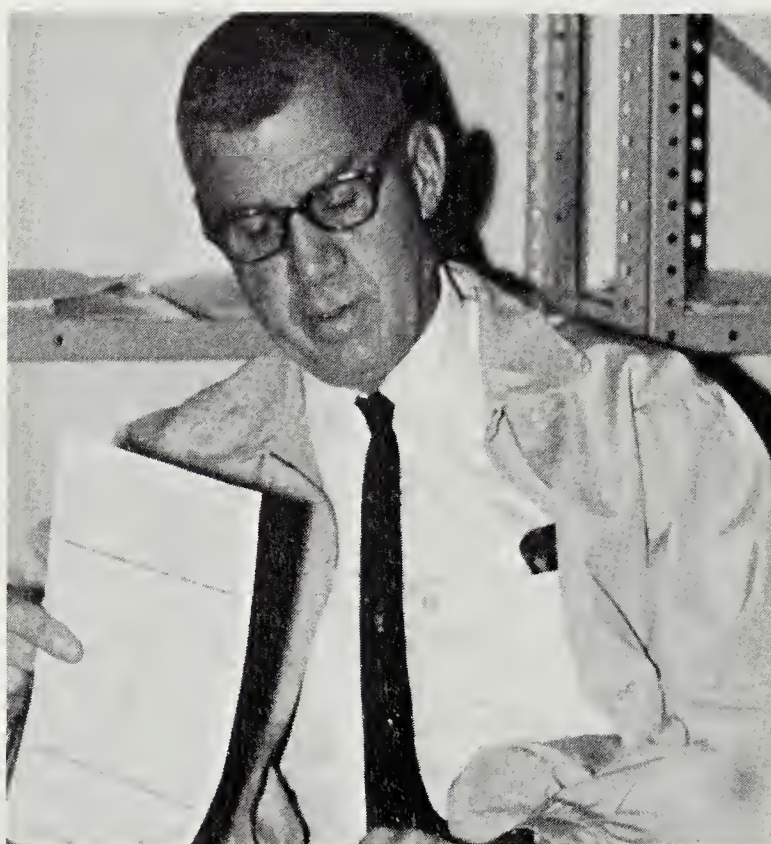

His sincerity and friendliness win the heart of everyone, and his never-ending interest in the school is self-evident. His personal concern in every club and activity proves to the student body that he has their best interests at heart.

Through the long-remembered good times and the hard-to-forget bad times, his patience and perseverance have shown through.

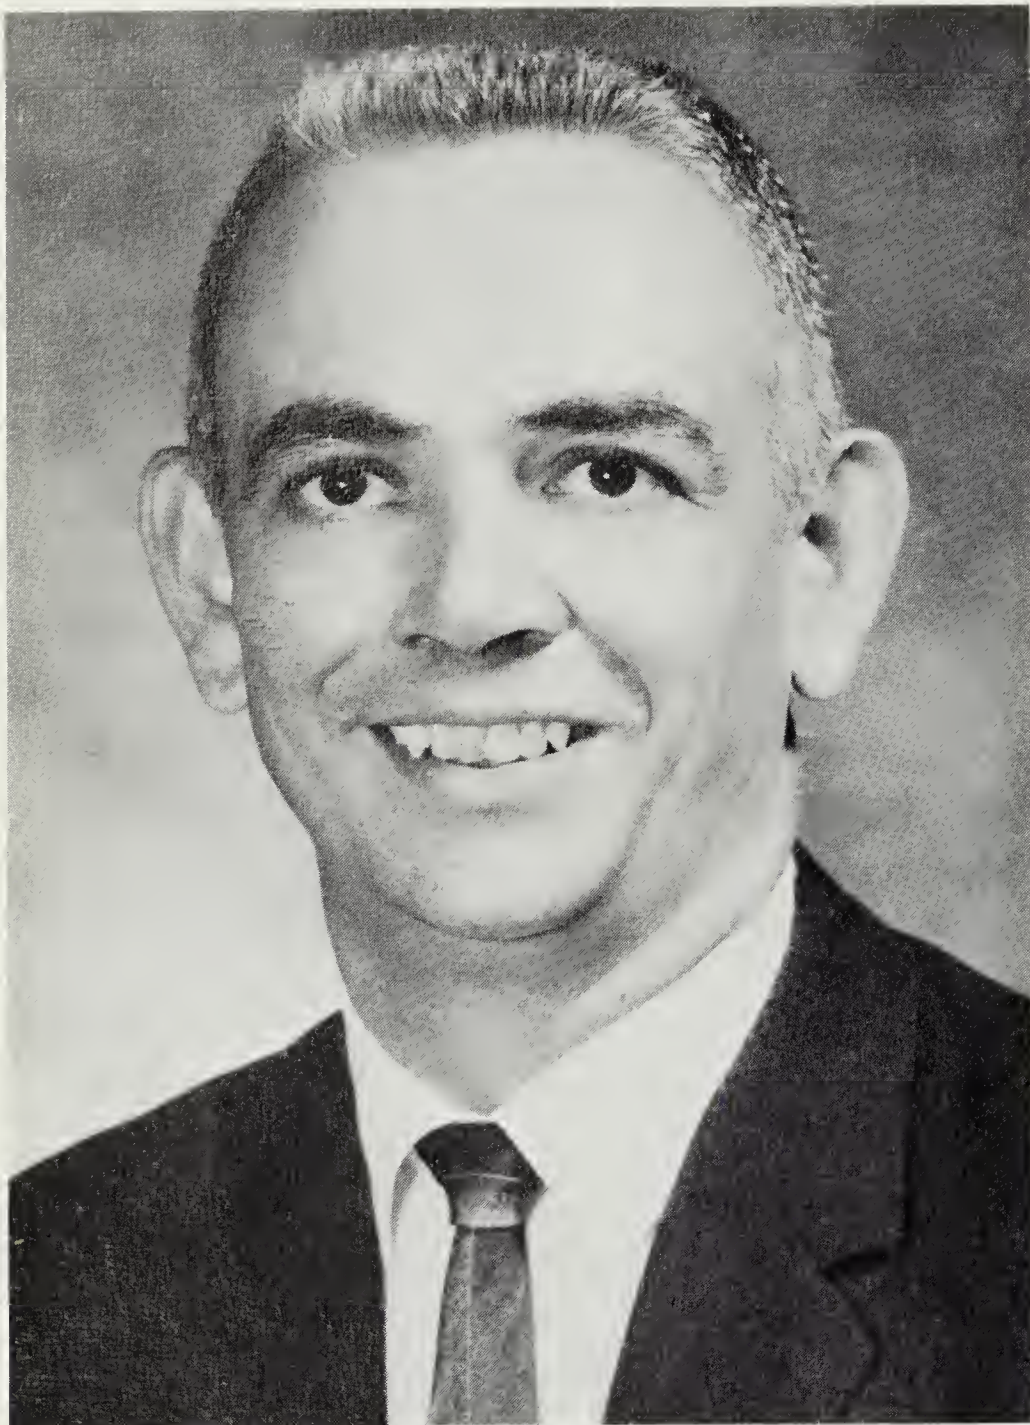

It is with great pride that we dedicate this 1966-67 Indian Echoes to MR. SAMUEL P. COX.

Principal's Message

It is not the critic who counts; not the man who points out how the strong man stumbled, or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena; whose face is marred by dust and blood; who strives valiantly, who errs and comes short again and again; who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement; and who at the worst, if he fails, at least fails while daring greatly; so that his place shall never be with those cold and timid souls who know neither victory or defeat. —Theodore Roosevelt

Department of Languages

Gar-Field's Foreign Language Department provides for the students the ability to communicate in languages other than English. In these classes the students are introduced to different customs and cultures. Three years of French and Spanish and two years of Latin are offered at Gar-Field.

In the English classes the students are given a solid background in grammar and literature. During the junior and senior years students study American and English Literatures respectively. The literature studied by freshmen and sophomores is varied in order to prepare them for the last two years.

Department of History

In order to understand the present and interpret the future a knowledge of the past is necessary. Gar-Field's History Department is well prepared to back-up this premise. By offering courses in American History, U.S. Government, World Geography, and World History, the students are given a well-rounded and thorough knowledge in this field.

Department of Physical Education

The Physical Education Department plays an important role in directing not only classes but many of our athletic events. Three years of gym and health are required at Gar-Field. During this time the students participate in sports such as baseball, basketball, tennis, track, and tumbling through which they acquire sportsmanship and co-ordination.

MISS BETSY ROSS

Miss Clements geographically illustrates a point in History.

Music

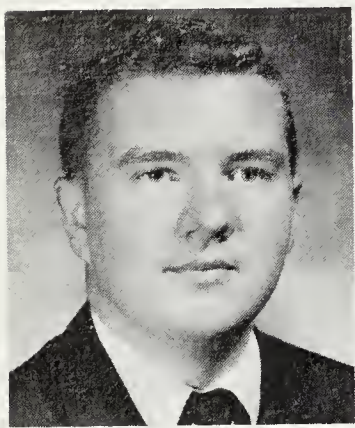

The goal of the Music Department is to provide Gar-Field students with an enduring and enjoyable appreciation of music. The Gar-Field High School Band, under the direction of Mr. Ivan Bowling, entertains the student body during assemblies and football games. The highlight of the musical year is the spring concert.

The Glee Club, directed by Mrs. Bailey, presents itself in concert at the annual Christmas Concert. Throughout the year it provides musical enjoyment at other functions.

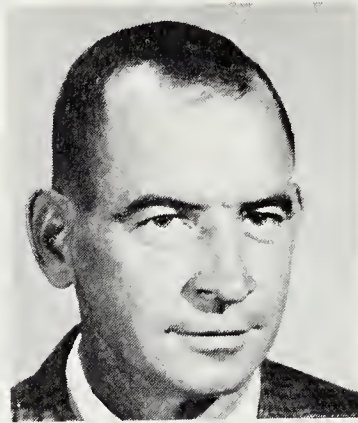

Citizenship is Stressed

Industrial Arts offers students the opportunity to develop manual skills. During the course of a school year students learn the operational use of various machines. Also offered is a course in mechanics.

Bob Leyda received the first Senior ring for the entire Senior Class from Ronnie Sears.

A talented Senior, Gerry Hearn, plays a piano solo for the Junior Variety Show.

An obliging Senior shows her customers how her Carnival booth operates.

Jeff Tyrrell answers questions for his students on Senior Teaching Days.

The Seniors, themselves, enjoyed a delicious meal at the Senior Class Ham/ Roast Beef Dinner.

Wendy Hora finds that serving for the Senior Dinner is tedious work.

Some of the Senior boys who gave out letter sweaters at the assembly were Donnie Webber, Ken Smith, and Arnie Barg.

We, the SENIOR CLASS of Gar-Field High School, have many memories which will have a lasting effect. These memories began to form on our first day at G-F. Some of us began our stay in eighth grade; others only came this year. Still, they are filled with spirit and patriotism to school and class.

Memories have different meanings to different people. To some they are of sports: an exciting touchdown, a last minute basket, a home run, or a slacking runner surpassing his fellow runner or a wrestler pinning his man. To others special memories involve club activities: Library Club "Crazy Hat Contest," Beta Club "Male Beauty Contest", Dramatics Club play productions, Indian Echoes "Valentine Dance" and Indian Scripts "Slave Sale." Not only club activities but class activities are things to remember. The Junior-Senior Prom sponsored by the Junior Class also adds to the year's festivities. For the Seniors, our foremost memories are of the Senior Class Carnival, Senior Class Play and of course the Senior Class Trip to New York.

As we now leave Gar-Field, as the class of '67, we have our memories of these past years to hold. As these unforgotten events crowd our minds, we are on the brink of a new and exciting world. We enter this world with enthusiasm for a new life and responsibilities and leave Gar-Field High School with the traditions we've helped to uphold and those we may have helped to create.

The 1966-67 Sophomore class was one of the best ever at Gar-Field. They had tremendous spirit and enthusiasm as well as ambition. Their first big success was the class dance held after the basketball game against Spotsylvania on January 6, 1967. Everyone danced and enjoyed the music by Rot and the D. K. 's. The Sophomore class sponsored a beauty contest and a play later in the year.

The class officers Sandy Cox, Barbara Bagley, Linda Ford, Leona Thompson and Mike Cundiff have (along with many others) put much time and effort into making their class this year the best possible at Gar-Field.

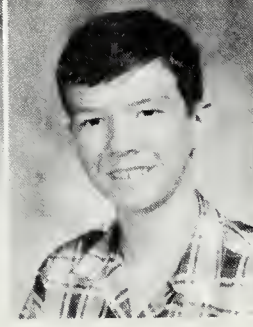

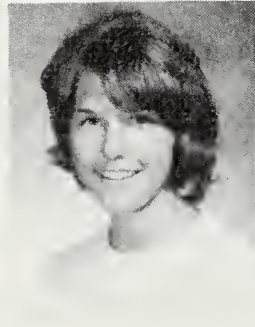

We hope that the 1966-67 Sophomore Class will keep high spirits and have as much enthusiasm in the years to come at Gar-Field as they have had this year.

Freshman spirit was high during the Homecoming Parade.

Gwen Jacobs, Sharon Cekala, and Donna Hartman were J.V. cheerleaders from the Freshman class.

Even though the freshman class at Gar-Field this year does not have officers, they have proven that they do have school spirit.

The freshman class presented "The Plot to Assassinate the Chase Manhattan Bank" by Carl Larson, as their project for the year. Directed by Miss Poindexter, the one-act play's cast was as follows: Piper Rold portrayed Miss Jones, Ronda Wilkinson, as Miss Smith; Joe Pluto as Mr. Dickenson, and Chip LaFurney as Mr. Wilbur Fuddle. The participants in the play put forth many hours of their time to make the play a great success.

Many of the freshmen participated in the sports that are offered here at Gar-Field, while others joined the various clubs.

Although high school life is new to the freshmen, they have made a good attempt at becoming better students.

Each year we select delegates from our school to take part in the County Federation. There they meet with delegates from other schools and interesting ideas are presented for possible school improvements.

The SCA has ten standing committees this year. These committees help the council officers to have a better understanding of activities directly controlled by the SCA.

Cooperation Today Develops

Each year every homeroom selects a representative and alternate representative who they feel are responsible to represent them in SCA council meetings. The chairman brings back the minutes from the meetings and presents them to the homeroom so they will know what is happening in their school.

Each club at the beginning of the school year picks a club member to represent them in the SCA Council. The representatives share the ideas of their clubs, bringing back the happenings of the SCA.

Club Representatives

Leaders of Tomorrow

This year's Girls' Varsity Club has excelled in promoting sportsmanship qualities in girls' athletic activities. After a girl has lettered in basketball, softball, or cheerleading, she is eligible for membership in the club.

The club earns its money by having bake sales, selling refreshments at the football games, and charging admission to the girls' basketball games at school.

The Girls' Varsity Club members presented their sponsor, Mrs. Lockett, with a gift during the sports award assembly.

The Future Business Leaders of America work to become better citizens of their community. The club hopes to create more interest and understanding in the choice of a business career. Any student taking a commercial course is eligible for membership in the club.

This year, the club sold mums for Homecoming and sponsored the F. B. L. A. Talent Show in April. As a major project for the year, they collected items of various sorts to send to the men in Vietnam. The club is very proud of their letter of thanks for these supplies. An additional activity of the club is the workshop in the spring which members attended.

Promoting School

Miss Turner, sponsor; George McKnight, Cindy Morris, Linda Wade, Marsha Hosey, Janet Beard, Sue Bastien.

The Pep Club, under the supervision of Miss Turner, promoted school spirit by making posters, and sponsoring pep rallies. The buses to away games are also provided by the Pep Club. The enthusiasm the members show throughout the football and basketball seasons does much to strengthen student interest and school spirit.

The debate proposition for 1966-67 is "Resolved: That the foreign aid program of the United States should be limited to non-military assistance."

Debators participate in a competitive interscholastic program, leading to district, regional and state championships. Debators observe and comply with all rules and regulations set forth by the Virginia High School League.

Debates are conducted in accordance with an adaptation of the cross-examination plan. This is designed to bring out weaknesses or inconsistencies.

Emphasis is placed on teamwork. Every effort is made to stimulate independence of thought. Encouragement is given for direct, forthright speaking, informality, and ease and good humor in delivery.

Library Club Offers Aid To Fellow Students

The Library Club has been helpful to the librarian and her assistant by helping to establish control over student activity in the library. The major functions of the club were collecting passes and checking out books. The boys assisted the teachers in the showing of films and the playing of records.

Their money-making activity for the year was a successful spaghetti dinner held last fall.

Gar-Field Clubs Train Students

The purpose of the Gar-Field High School Radio Club is to establish an informational service to the surrounding community as well as to the student body of Gar-Field.

At the present time, WQVA Radio in Quantico donates free time each week as a public service to make this program possible.

Members of the club write reports of various activities around school and make these announcements each Tuesday at 4:15 P.M.

This year's band provided the school with numerous styles of music. They presented a spring concert, participated in state competition, played at assemblies, and pep rallies. At football games, both home and away, they provided excellent marching routines.

The majorette squad was enlarged to fourteen this year; and under the leadership of Shirley Antell, the girls did much to promote school spirit.

The effort and hard work of Mr. Bowling, sponsor and director of the band, helped the members advance their skill and appreciation for music.

Beta Club Members

The Beta Club is a service organization that represents and recognizes the scholarship, character, and leadership in our school. For anyone needing it, our Beta Club offers tutors; and on college night, they provide guides. This year, as a special gift for the school, they presented a flag to the S.C.A. At the end of each school year, a \$25 scholarship is given to a deserving senior. Their only means of making money is the Male Beauty Contest. Under the guidance of Mrs. Parr, the club has served the school well this year.

The Indian Echoes yearbook staff has done its best to produce a pictorial history of the year 1966-67. The staff members have taken their time in extra-curricular activities to meet the deadlines that are necessary to produce a good yearbook. The money-making project for the year was the semi-formal dance on February 11, for the Queen of Clubs.

The work begins early in the summer when staff members meet and get their assignments. Ads must be sold and the layouts drawn, soon after school begins. During the fall months, the staff collects pictures to be used in the yearbook and votes on the dedication. The winter months are spent getting the material ready for publication. Finally, late in spring, the results are seen as the staff distributes yearbooks. But, the work is not yet completed — a new staff has to be trained and plans for a new year have to be developed so that the cycle will continue.

This past year the Varsity Football squad of Gar-Field High School has shown outstanding athletic ability. Under the supervision of Mr. Crane, the head coach, the boys fought like a Gar-Field Indian should to make Gar-Field High School one of the best. Even though all their wishes did not come true, the other teams could always say Gar-Field played a good game.

From a total of ten games, the Indians came out with a record of three wins and seven losses. They took sixth place in the Battlefield District.

The G-F Basketball team worked hard this year and should be congratulated on a job well done. The team showed a lot of effort and team spirit and were backed by a lot of school spirit.

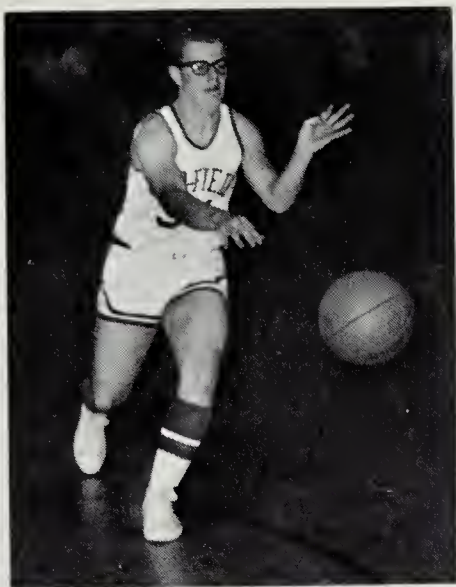

The team had a rough beginning but finished the season with a 10-8 record. Under the superb coaching of Mr. Jim Raines, this year's team went up the necessary notches of the ladder of success.

The boys put in long hard hours at practice and showed their ability during each game. Their success was achieved by teamwork and co-operation on the part of the team as well as the coaches.

Congratulations to the District Champions of Prince William County!

Due to a lot of hard work and determination, this year's J. V. Basketball team has shown what it's made of and what material the future Varsity squads will be made of.

The team went a long way and fought hard for their success. Throughout the season the boys only lost 3 games and had 16 wins. At Fort Hunt, Virginia, the boys won a great victory for the team and for the school!

Under Coach Clark, the boys proved to their school their outstanding athletic ability.

This is Gar-Field's second year of sponsoring a gymnastics team. Mrs. Lockett has done a great job coaching these girls. The girls range from freshmen to seniors, with each girl putting out 100% effort to maintain a superior rating in her class.

Practices were held three mornings a week, as well as a number of night practices.

The State Gymnastics Meet, held at Yorktown High School in Arlington, Virginia, proved to be a great success for Gar-Field. Johnna DeGrasse placed first in her event.

The team put on an exhibition for the student body on April 7, sponsored by the Girls' Varsity Club. This match was held to raise money for gymnastic trips.

The team should be congratulated on a job well done, and G-F is looking forward to another gymnastics team next year.

These boys worked along with Coach Marr and came up with third place in the state. Practice every day and a determination to succeed drove these boys to where they are.

Our boys have proved that a first year sport can be as successful as any other. We are proud of our Cross Country Team for their performance and are hoping for the same next year.

Girls' Varsity Basketball

The Girls' Varsity Basketball team has gone a long way this year. With a 4-4 league standing and two wins over Quantico, Gar-Field tied with Woodbridge for third place. By beating Stonewall Jackson, Gar-Field moved into a sure third. Going into the tournaments, Gar-Field defeated Stonewall for second place. After losing to Osbourn, Gar-Field remains in second place in the Prince William County League.

The team showed a lot of spirit and excitement with every win and should be congratulated on a tremendous year of hard work.

Girls' Basketball

With a 4-4 record, Gar-Field's Junior Varsity Girls Basketball team has shown us that they could play basketball. Their coach, Mr. Durham, has worked hard and is very proud of his team. This is the first year these girls have played for Gar-Field and they have shown us that we will have a good team in the coming years.

J.V. Cheerleaders

Being a cheerleader isn't "all work and no play," but willingness to work, pep, and ambition are all ingredients of a J. V. Cheerleader. These girls have done much to inspire the entire student body by promoting school spirit and backing up the J. V. teams. Many hours were spent learning new cheers and sponsoring bake-sales. They did much to instill spirit in the team and fans. The J. V. cheerleaders for this year were: Linda Bakaysa, captain; Gwen Jacobs, Connie Pair, Linda Ford, Sharon Cekala, and Donna Hartman.

Cheerleaders Excel

At the heart of school spirit are our cheerleaders, who spread enthusiasm during every pep rally and game. This Year's Varsity Cheerleaders have out done all cheerleading squads of the past and will be a tough squad to surpass in the future. Under the excellent leadership of Joyce Deslandes, Captain, and Mrs. Raines, Sponsor, the girls have really taught Gar-Field the true meaning of spirit!

The girls have worked hard and many times stayed after school to make posters and learn new cheers. Even when we were defeated they were the ones who yelled, "What's the good word?" and rekindled our hopes.

By having to earn money for their uniforms, the girls have learned the meaning of responsibility. The squad had several bake sales and sold booster ribbons and pom-poms during football and basketball seasons. Each girl had a responsibility to show up and "sell, sell, sell!"

G-F is proud of these tireless girls who cheered our teams on. So "Two bits, four bits, six bits, a dollar..." Let's hear it for our cheerleaders!

The 1966-67 baseball team has worked hard for a successful season. They have proven that long hours of practice are worthwhile. Cooperation, among team members and with the coaches, also adds to the success of the team. We can really be proud of our team on the fine showing they made during the season. From the showing this year, we anticipate a great team next year since many players will be returning.

Through the leadership of their coach, Mr. Osborne, they have shown that they learned the patience as well as the skill needed for their sport. Softball is not a new sport to G-F, but each year the girls go out and give their best with enthusiasm as if they were trying something new. Our girls really did their best and we are very proud of them.

Junior Class Scores Another Hit

The annual Junior Variety Show, presented by the Junior class, was an outstanding success. Approximately 600 people attended and had a wonderful evening of entertainment.

Acts other than those pictured were: a comedy skit by Craig Van Brocklin and Alvin Ware, piano solos by Gerry Hearn, and Bonnie Lynn, Yvonne Evans, Jim Meeks, Jody Mahle, Tom Paine, and Maye Van Arnsdale sang, and Johnna DeGrasse danced variations of "Sleeping Beauty." These were just a few of the many acts enjoyed that evening.

Emcees, Mike Oliver and Bev Bagley, introduced all of the acts.

Barbara Pulley, one of G-F's majorettes, twirled before the large crowd.

Juniors, John Rollison and Ricky Fitzgerald, played two trumpet duets.

A rising local band-"The Rising Sons"-displayed their talent.

The audience seemed to enjoy all of the acts presented.

Donna Hartman was one of the go-go dancers who danced with the various bands.

Pattie Goomeer portrayed a cleaning woman who for one moment wishes she could be a star.

Senior Judy Turner, sang "The Cruel War", appropriately dedicated to all the men in Vietnam.

Homecoming Means Excitement

Homecoming—a special mixture of anticipation, pep and hurried preparation, all preceded by the floats and cheering crowds. Students and teachers worked late into the night preparing their floats for judging or decorating for the dance to be held Saturday, Oct. 22, 1966. Cheerleaders and majorettes practiced new routines, and boys made certain they had dates for the dance.

The bonfire touched off the weekend activities. A nervous football team awaited the kickoff time, and anxious candidates awaited the halftime ceremonies. The most exciting moment was when the final whistle sounded and everyone knew our team had won.

The next night, Gar-Field's Homecoming Queen, Joyce Deslandes, and her court were presented at the Homecoming dance, the Silver Fizz, marking the end of an exciting weekend.

Planning . . . Working . . . Scheduling . . .

Janice Toone found that keeping everyone refreshed is a full time job.

The Senior Class of Gar-Field held its annual Carnival on March 3-4, 1967. Starting immediately after school on Friday, the carnival ran until 12:00 midnight on Saturday. All of the Seniors contributed time and effort to make it a great success. A total of 26 games were available for everyone's enjoyment. Among these were Roulette, Coke Toss, Zoo Dip, Hoopla, and the Bear Platter.

Along with the Senior Class Play, the Class Carnival helps raise funds for the class to go on their annual New York trip. The more money raised on the carnival and play, the less each individual has to pay in the end.

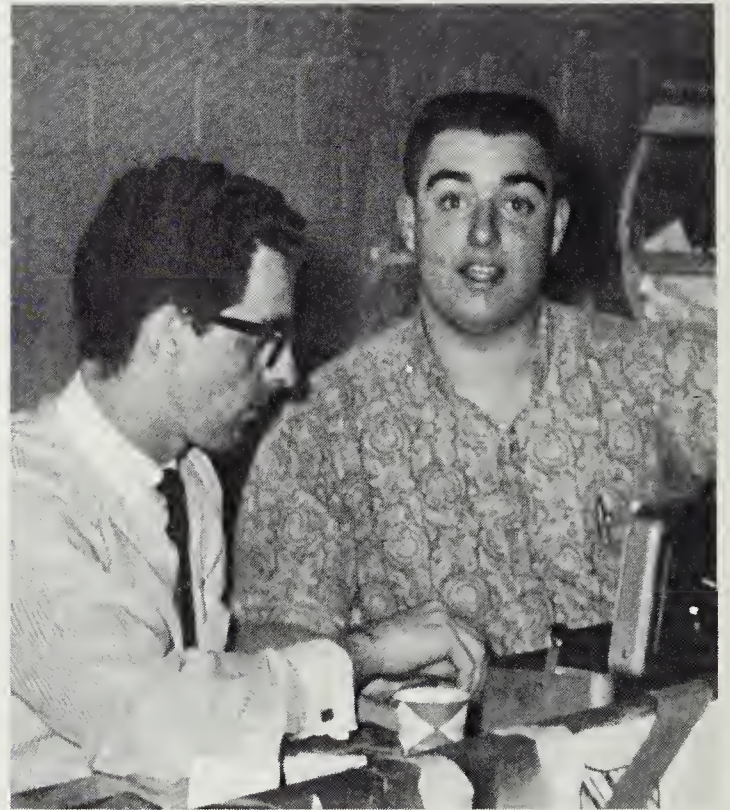

To add to the ga-la affair, a dance was held both nights. On Friday "The Rising Sons" provided music, and the "Congressional" did so on Saturday.

On Saturday night a hearty meal featuring ham or roast beef was enjoyed by all who attended.

To the Seniors, working on the carnival is one of their most important activities of the year. It not only gives them a feeling of pride in knowing they are contributing to the class, but also a feeling of satisfaction in helping the carnival to be a success.

With her menagerie of stuffed animals, Cindy Morris worked at the Zoo Dip.

Mr. Jamieson, one of the Senior Sponsors, and Jeff Tyrrell sell tickets and count money.

Painting in the Round, run by James West, was a splattering mess as well as fun.

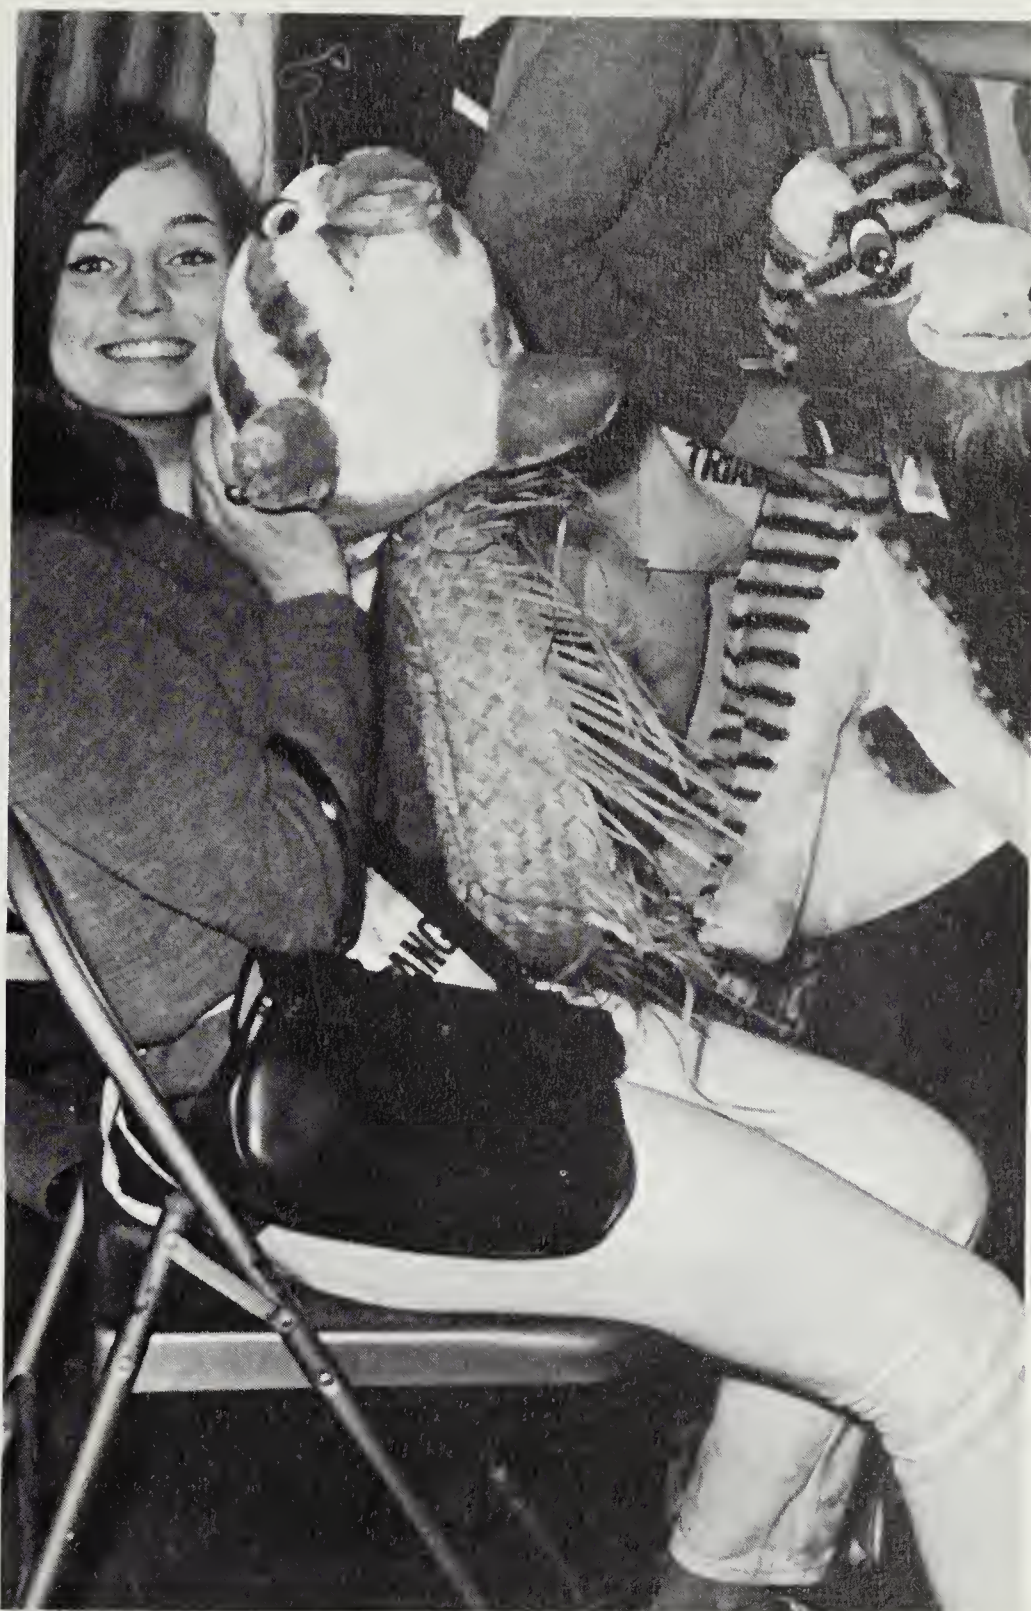

Result: A big Profit and a New York Trip

Dancing is always fun after an afternoon at a carnival.

During a break, Joyce Deslandes chats with a friend at the carnival dance.

"Sitting down, smiling, cuddling a stuffed animal, and thinking of New York makes you forget all the hours put into the carnival," says Chris Gefrich.

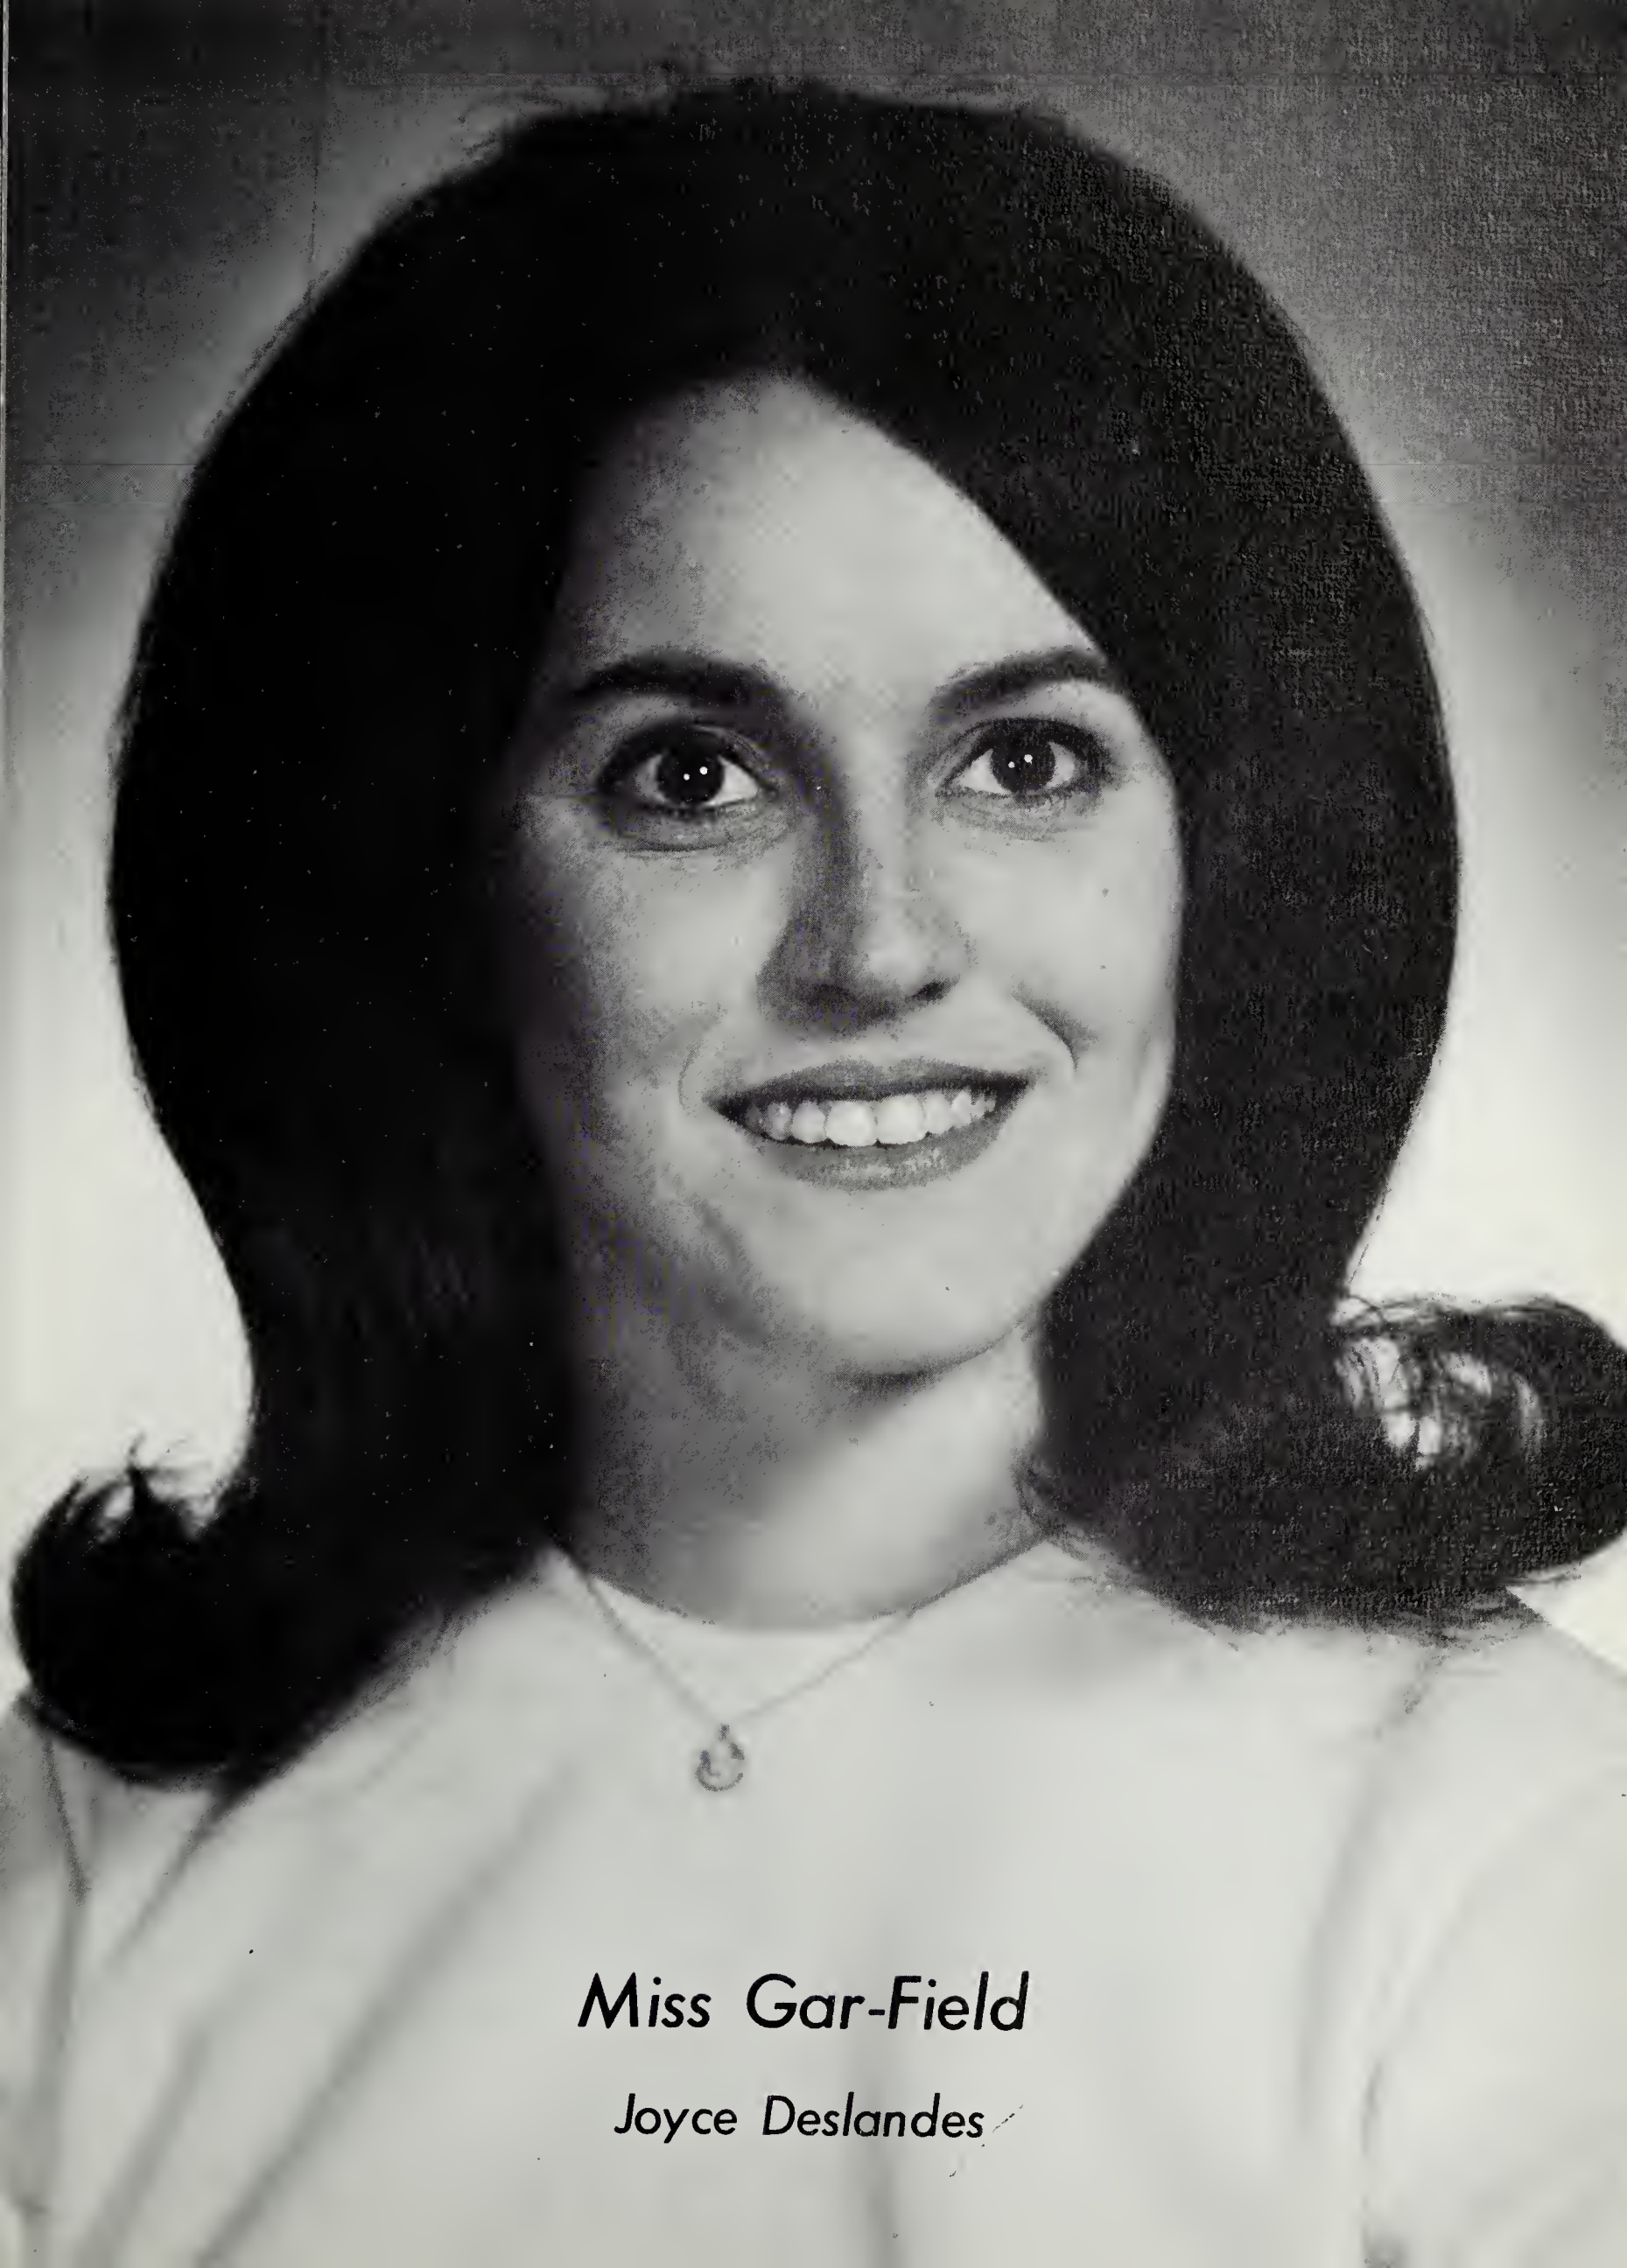

"The Rising Sons" performed for the Friday night dance of the Senior Class Carnival.

Queen of Clubs

The annual Valentine Dance, sponsored by the Indian Echoes, was held on February 11, in the school cafeteria. "Catch a Falling Star" was the theme of this year's dance and the master of ceremonies was David Blanchard. The Queen was Linda Scarbro, sponsored by the Dramatics Club and escorted by Bob Leyda. Thirteen girls from various clubs competed and this year was the first time the Dramatics Club had sponsored the winning candidate. Music was provided by the Shadows.

A happy Queen holds her bouquet and trophy.

Mr. Addington gives the Queen — Linda Scarbro — a congratulations kiss.

The Shadows provided the music for the dance.

4th runner-up, Chris Gefrich, receives a bouquet of carnations.

Boys' and Girls' State

Row 1: Joyce Jones, Bev Bagley, Glenna Lipford, Jody Mahle, Susie Clifton.
Row 2: Jeanne Rebel, Leslie Stallknecht, Linda May, Terry Strathman, Sandy Ramsey, and Pam Bauckman.

Each year the faculty of Gar-Field nominates a number of Juniors to be candidates for Girls' and Boys' State. The nominations are based on leadership, character, cooperation, honesty, scholarship, and physical fitness. After the selections are made by the faculty, the candidates are rated by the Junior Class and then selected by the various sponsoring groups and organizations. Representatives from Gar-Field this year will be: Bev Bagley, Susie Clifton, Jeanne Rebel, Pam Bauckman,

Glenna Lipford, Joyce Jones, Jody Mahle, David Blanchard, Danny Fisher, Danny Bushey, Robby Tolson, and Buddy Fredette.

Boys' State is held at the College of William and Mary, Williamsburg, Virginia. Girls' State is held at Radford College, Radford, Virginia. These programs are a citizenship training program to educate our youth in the duties, privileges, responsibilities, and rights of American citizens.

Row 1: Danny Fisher, David Blanchard, Robby Tolson, and Buddy Fredette. Row 2: Mike Baird, Rick Yates, Tommy Parker, Gary Sipes, David Hibbard, and Danny Bushey.

Sophomore Beauty Contest

The Gar-Field High School auditorium was the setting for the beauty contest on April 1, 1967. The Sophomores worked hard on the contest, their main activity of the year. The theme, "An Evening in Venice," was carried out in their scenery — a gondola and gondolier.

Mr. Bob Greer, the Master of Ceremonies, began the pageant promptly at 8:00. The girls, one from each home room, were judged on poise, grace, and beauty.

Miss Fredricksburg crowned Diane Canady the winner. Faye Minter placed second and Bev Bagley third.

Faye Minter, 1st Runner-up; Diane Canaday, Queen; Bev Bagley, 2nd Runner-up. Miss Fredricksburg crowns the queen.

The six finalists: Bev Bagley, Linda Ford, Diane Canaday, Susan Fayard, Faye Minter, Donna Hartman.

The photographer finds the judges hard at work.

Mr. Greer served as emcee for the pageant of lovely ladies.

Standing: Mr. Addington, Mr. Pitt, Mr. Greer, Mr. Jamieson, Mr. Raines. Kneeling: Mr. Clark, Mr. Shutt, Mr. Crane, and Mr. Moore.

Faculty-Varsity Basketball

Standing: Miss Barnes, Mrs. Woods, Miss Meads, Mrs. Jenkins, Miss Isenhower, Miss Turner, Mrs. Watts, Mrs.

Parr. Kneeling: Mrs. Crane, Mrs. Aubry, Miss Milona, Miss Shideler.

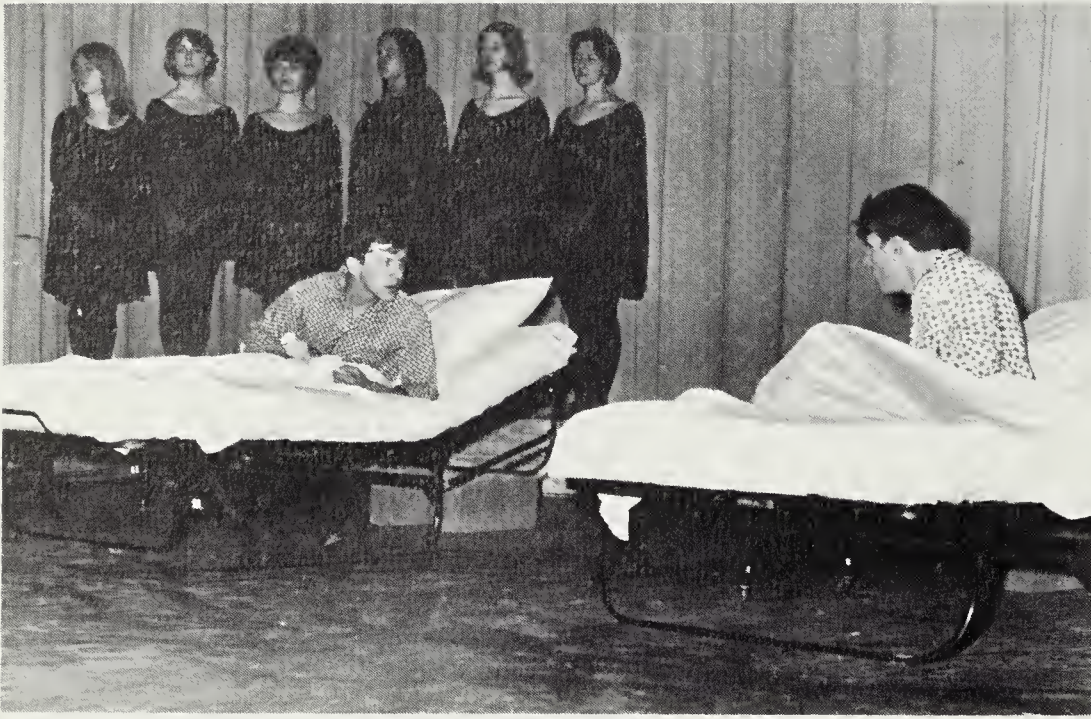

The members of the Girls' Varsity Club and the G-F Club decided once again to meet the G-F faculty. The games as usual turned into another exciting and humorous affair.

The women faculty, in their dazzling outfits, decided once again to lose to the girls, and so did not harm their losing streak. The score of 29 to 16 shows how the girls easily beat the happy-go-lucky women teachers.

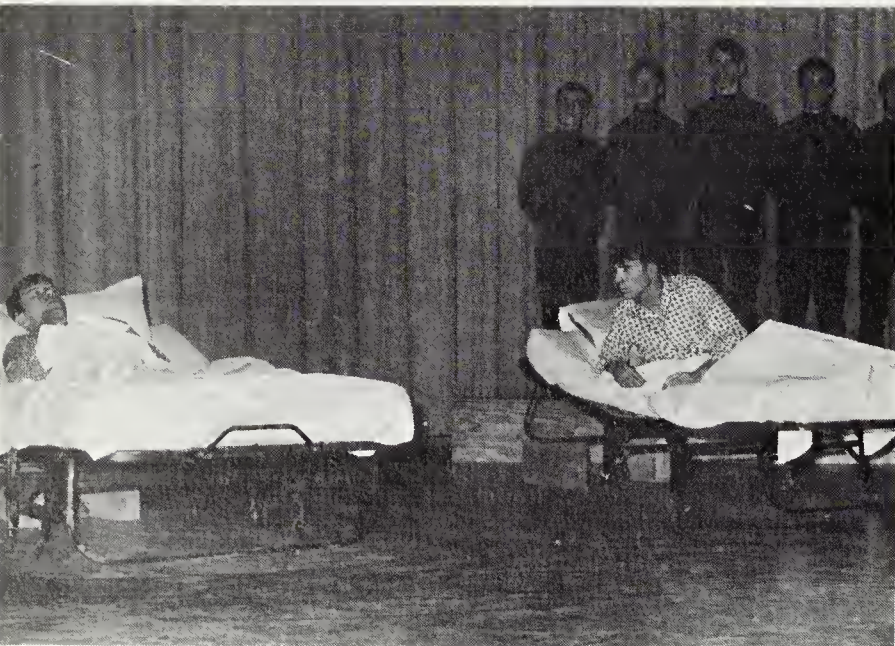

The men, once again, decided to win. The game went into overtime and everyone watched spell-bound as Mr. Clark shot the last basket to take a one-point lead with no time remaining. This game was a hard one with lots of laughter.

The game was a success for the G-F Club and the Girls' Varsity Club, and each club would like to thank the members of the faculty for helping make their school year more enjoyable.

Two Great Plays

Chip LaFurney and Jim Hinkle portray the old man and his hospital room companion.

This play won a superior rating at Competition.

The old man's last few minutes on earth draw to a close.

Under the direction of Miss Poin-dexter the Dramatics Club presented a new type of play. "The Octagenarian" was performed using a Girls' and Boys' Chorus and a minimum amount of props. The play received a superior rating at Play Competition at Nokesville, on March 4th, and favorable comments at the State Competition at Charlottesville.

The Girls' Chorus: Jennie Hodges, Shelley Dawson, Linda Scarbro, Sandy Alvey, Linda May, and Carol Powell.

Display Talent and Humor

The cast of "You Can't Take It With You."

This year's three act play was "You Can't Take It With You," a comedy by Moss Hart and George S. Kaufman. The play revolved around a family whose only normal member is Alice. Alice's mother writes plays because a typewriter was delivered to her home by mistake, and her father makes fireworks in the basement. When Alice falls in love, the household becomes a real madhouse.

As the 1966-67 school year comes to a close, the students of Gar-Field become joyful over graduation and summer vacation. Many look forward to college in the fall or a job and others look forward to the coming year.

Never has any other year been any more fulfilling than this one. We, the students, have dedicated our time and effort to our school and extra-curricular activities. Through this work we have grown a little more towards being responsible adults. This younger generation, the students of Gar-Field, will be the adults of tomorrow; and as adults we will be expected to help create a better world. As adults we will look back on the time when we were at Gar-Field looking forward not knowing what was to come, but ready for it.

The Indian Echoes would like to thank Mrs. Elizabeth Browning for the leadership she has given us as our sponsor.

The staff is sincere in wishing you, the students of Gar-Field, the best of luck in whatever you do in years to come.
